Box 115, Van Anda, BC V0N 3K0

Notice of Alternative Approval Process

It is the intention of the Van Anda Improvement District to borrow \$850,000 to provide interim funding for the purchase of a new water tank, upgrades to the water treatment plant and installation of a second water main line into the Village of Van Anda. These upgrades are fully funded by the UBCM Strategic Gas Tax Fund awarded to Van Anda Improvement District on April 30, 2018. - Must have been a resident of British Columbia for the immediately preceding 6 months
- Entitled to be registered as a voter under the Elections Act
- A registered land owner of a property within the Improvement District, or hold Power of Attorney for a registered land owner in the Improvement District.
