

VAID RFP 092018 Pricing Matrix

	A	B	C	D
	ITEM	Cost	NAME OF SUPPLIER (where applicable)	Contact Name & Details (where applicable)
1				
2	Engineering:			
3	Containerized Water Treatment Plant (CWTP)			
4	CWTP Design service			
5	CWTP Manufacturing monitoring service			
6	CWTP Site prep monitoring service			
7	CWTP Site installation monitoring service			
8	CWTP Commissioning monitoring service			
9				
10	Water Storage Tank (WST)			
11	WST Site prep engineering service (Geo Tech Report supplied – See Appendix)			
12	WST Site prep monitoring service			
13	WST Site installation monitoring service			
14	WST Commissioning monitoring service			
15	Engineering Sub-Total			
16				
17				
18				
19	DELIVERABLES			
20	Containerized Water Treatment Plant			
21	Detailed drawing of Engineered CWTP complete with major component specifications			
22	Name of CWTP Supplier			
23	CWTP Pricing (to be based on Bill of Materials provided by Engineering Proponent)			
24	CWTP site prep			
25	CWTP Transport to Site & off-loading			
26	CWTP Site installation			
27	CWTP Commissioning			
28	SCADA system			
29	CWTP Sub-Total			
30				
31	Water Storage Tank (WST)			
32	Name of suggested 64,000 US Gallon WST Supplier			
33	WST pricing			
34	WST transport to site & off-loading			
35	WST installation			
36	WST commissioning			
37	WST Sub-Total			
38				
39	Grand Total			
40				
41	Instructions for Completing the Pricing Matrix:			
42	1. VAID aim is to view costs as transparently as possible – kindly bear this in mind when completing this document			
43	2. Proponents may add as many lines and/or columns as necessary to satisfy #1 above			
44	3. We are not asking proponents to reveal profit in their proposals, but obviously we will have the opportunity to compare apples-to-apples when reviewing proposal submissions			
45	4. All proponents MUST complete this matrix as a MINIMUM when submitting their proposal
